

Liability Release and Hold Harmless Agreement

Austin's Northwest Adventures, Austin Moser, takes many precautionary measures to ensure a safe day on the water. Customers must understand that there are many uncontrolled, inherent risks surrounding water activities and fishing. Those risks include, but are not limited to: slipping and falling, loss of balance, drowning, boat collisions, cuts from knives and fishing tackle, dehydration, and exposure to the elements.

LIFE JACKETS

All persons over the age of 14 years old are not required to wear a life jacket, however, it is highly encouraged. All children under the age of 14 must wear a life jacket at all times on docks, in boats, or near the water's edge. United States Coast Guard approved life vests must be provided to all persons under the care, custody, and control of Austin's Northwest Adventures.

GENERAL SAFETY

All customers must receive a safety brief prior to embarkation to familiarize all passengers with water safety, life jacket locations, first aid kit locations, and fire extinguisher locations. It is the responsibility of the Customer to pay attention to the safety brief and ask any questions they may have to ensure their personal safety. While on the water, Customers are encouraged to remain seated at all times except while conducting fishing activities. Anytime the vessel is underway, in excess of 10 knots, all Customers must remain seated.

ALCOHOL AND DRUG USE

All Customers in the care, custody, and control of Austin's Northwest Adventures must abide by state laws regarding the possession and use of alcohol and drugs. All federally controlled water and lands do not allow possession or use of recreational marijuana and Customers are required to strictly adhere to the laws governing these areas. Customers are expected to maintain a state of sobriety that allows them to care for themselves or others in the event of an emergency. Obnoxious, rude, disruptive, or loud behavior will not be tolerated.

ACKNOWLEDGEMENT

I've read and understand the aforementioned conditions as set forth by Austin's Northwest Adventures, and agree to hold the owners, officers, and/or any representative harmless in the event that minor injury, significant injury, dismemberment, or death should occur.
